vs.

Pauline Marie Castro

Criminal No.: CR-06-00001-001
Reg. No. 02628-043

MOTION TO REDUCE OR MODIFY SENTENCE

May it Please the Court:

Comes now the Defendant, Pauline Marie Castro who petitions this Court of an Order reducing or modifying (his or her) sentence. A motion for reduction in, or modification of, the original sentence pursuant to Rule 35(b) of The Federal Criminal Code and Rules of Procedures, is "essentially a plea for leniency".

A sentence of 60 months was imposed by the Honorable Judge Leighton on the 21 day of August, 2006. Defendant is currently incarcerated at a United States Federal Correctional Institution.

Defendant understands that under Rule 35 of the Federal Rules of Criminal Procedure, that this motion should have been filed within 120 days of having been sentenced. Defendant pleads with the Court to please still consider this motion since (he or she) was unable to have access to any kind of legal forms till after being transferred from a County facility to a Federal facility, which was after the 120 day period. Defendant would also like the Court to know that (he or she) is incompetent in legal procedures and would like to inform the Court that (he or she) has spent time in trying to obtain the proper information.

Attached herewith for the Court's consideration is a personal letter written by the Defendant Pauline Marie Castro explaining these events, and pleading for the courts leniency.

Wherefore, Defendant respectfully request that the Court's enter an Order reducing or modifying the sentence of imprisonment herein.

Respectfully Submitted
